~SCREENWRITER - CARTOONIST~

jconnorcook@gmail.com | (832) 530-7518 | Glendale, CA | johnconnorcookwriter.com

PROFESSIONAL EXPERIENCE (MOST RECENT TO LEAST)

Freelance Creator **Various**

- Worked freelance on professional productions including animated content, short stories, and youtube videos, as well as writing and producing solo projects including scripts, comics, and storyboards.

Writer/Creator **Souvenir Productions**

- Developed and wrote "Gay Bear" a five minute animated short to be produced for a film festival release.

Writer **NIA Productions**

- Worked with a team to write several 1-3 minute animated slapstick shorts for an unnamed project to be released as internet content.

Development Intern **Anarchist's United**

- Provided efficient, industry standard, coverage on shorts, features, pilots, novels and short stories
- Completed research assignments in search of upcoming talent
- Researched and broke down film festivals for upcoming executive attendants
- Analyzed television episodes and short films to assess prospective talent
- Filled project tracking documents with updates as needed

Assistant **The Celebrity Link**

- Managed the company's social media accounts and their internet content
- Researched advertising history and practice to inform internet content
- Researched and compiled production information on a number of projects from all across the industry into databases
- Provided creative consultation on various projects, including an art book, company logo and a corporate website

Student Screenwriter **Chapman Primetime**

- Participated in writer's room for student run productions
- Developed and wrote episodes for two student produced web series over two years
- Worked with a team of writers and producers to develop and release filmed internet content

Retail Attendant **By Nature Gallery**

- Assisted customers in the selection of high end products such as precious/semi-precious stones, fossils and jewelry
- Sorted, labeled, and provided information on various paleontological/geological artifacts
- Sold, packaged, and shipped aforementioned products
